RE: C.I. File No: 03-S-328

Dear Mr. Jashinsky:

This office is in receipt of your claim in the amount of \$1,350.00, relating to damage sustained to your truck on or about August 12, 2003 when you allege it was illegally towed by the City of Milwaukee.

On October 7, 2003 our office tendered defense of this claim to CHI Towing, because it appeared the damage to your vehicle was caused during the towing procedure. Upon further investigation, it was found that your truck had been parked under the Hoan Bridge for over three years at Terminal 3. The truck was moved by a forklift belonging to Federal Marine Terminals, because the space was needed for incoming cargo and for security concerns. The damage to your vehicle appears to have occurred when the truck was moved by the forklift. Your loss was not caused by any negligence of the City of Milwaukee, and as such, it cannot accept liability. Accordingly, we are denying your claim.

If you wish to appeal this decision, you may do so by sending a letter within 21 days of the receipt of this letter to the Milwaukee City Clerk, 200 East Wells Street, Room 205, Milwaukee, Wisconsin 53202, requesting a hearing.

Very truly yours,

GRANT/E/A/ANGLEY

To aid in your investigation Dot LEddinge to my truck, as a result of an illegal tow by the City of Milwaukee, I would like to present some facts.

The truck was parked on property leased to Federal Marine Terminals by the Port of Milwaukee No permission was given by FMT to tow! FMT Supervisor: A1 (769-2900)

low was a result of a call to Milw Police by Irene (531-0583) Irene appears to be associated with Port of Milw security.

Irene was aware that the tow was

illegal. (per Doug Kubic 482-2646)

The City Attorneys Office has determined The tow to be illegal and refunded the \$9500 tow charge. (286 5440) tow ret# 116-4828

The truck is a custom built long wheelbase expedited freight carrier with a 3 piece drive shaft The drive shaft was bent aprox 300, support systems torn out, and the exhaust system distroyed by City of Milwaukee towing contractors using make shift procedure. Photos at City Tow Lot (286-2700). I have enclosed3 photos I made also. The truck in now undriveable so please give this matter your promite dettentiones. Thankyou Gottlieb Jashinsky
